**2005 Benefit Auction Results**  
**Auction held on Saturday, March 5, 2005**

**Pritchard-Laughlin Civic Center - US 40, West - Cambridge, Ohio**

The listing below shows the complete results of the 2005 NCC Annual Benefit Auction. Note that Auction lot 226 was broken prior being able to be sold. The \$80 value shown on the auction results list is the agreed amount by the NCC Auction Committee, as well as the consignor (who was present on the auction floor). This fact is mentioned as members who were present on the auction floor may recall the piece was not actually auctioned. Since most folks use the Auction results as a gauge of value, an appropriate value was inserted into the auction results listing.

The lot which realized the highest auction bid (\$2350.00) was:

Lot number 254 - #1574 Crystal Large Cornucopia Centerpiece,  
7-1/2"H x 13-1/2"W (2 annealing lines to side), Very Rare

The net financials for the auction will be provided by the Club Treasurer, Dennis Snyder at a later time. From the Auction Chair, the auction is considered to be a great success. Many Thanks to the Consignors, as well as the Bidders, for allowing the auction to be a success.
